

A Non-Profit Company (NPC)
REG NR: 2024/778521/08
SARS PBO: TBC

OUR VISION

A safer, cleaner, functional and tourism-driven town to prioritise and promote its community and development.

OUR MISSION

With the support of Corporate Social Responsibility, and working together with the local Government and other relevant entities, to initiate and implement projects aiming to actively and sustainably contribute and offer support to the safety, maintenance and upkeep of public spaces in Hartbeespoort.

ONE SMALL CLEAN-UP AND REPAIR AT A TIME

PROUDLY HARTIES needs your support. We are a Non-Profit Organisation established for the sole purpose to create a safer, cleaner, functional and tourism-driven town. Situated on the slopes of the Magaliesberg Mountain, offering an Aerial Cableway with remarkable views of the Hartbeespoortdam, the charming town is well-known for its hospitality and tourist attractions and conveniently close to Lanseria International Airport, Rustenburg, Johannesburg, Pretoria and Pilanesberg National Park.

To uphold the charm of Hartbeespoort, and thereby maintaining local economic and social support, PROUDLY HARTIES is committed in meeting both its vision and mission. The drivers behind PROUDLY HARTIES are a group of individuals who put their hands up for no other reason than to reach this goal, steadfast believing in it being #MyTown and #MyResponsibility.

With the continued growth of the PROUDLY HARTIES initiatives, we are expecting to see an exponential expansion over time with more businesses and individuals joining the cause. It will allow our scope to increase over time and restore and better Hartbeespoort's former glory as the number one weekend tourist destination in the North West Province.

Administrative Offices: Wapadhuis, 79 Ou Wapad Str., Ifafi, Hartbeespoort, 0260

Auditors & Administrators: O'Kennedy & Swartz Accountants

OUR FOCUS

1. Cleaning up of public spaces

Apart from the local residents' and businesses' responsibility in taking pride and cleaning up, Hartbeespoort, as a tourist destination and popular 'slow life' option, needs to offer a safe, clean & well-functioning space. For the latter, we need to clean up the public space.

Earmarked projects for 2025:

- Revitalising the grounds and immediate surroundings of Hartbeespoort Public Medical Clinic, Public Library, Licencing Offices and Meerhof Sports Club;
- Repair, rehabilitation and maintenance of gravel roads leading to local school(s);
- Initiating the repair of identified deteriorated road safety markings;
- Improving aesthetic value of public spaces by means of landscaping initiatives.

2. Supporting Local Government

We aim to support local government in their obligation to ensure provision of services to the Hartbeespoort community in a sustainable manner, to promote social and economic development, and to promote a safe and healthy environment. PROUDLY HARTIES is eager to be involved in an effective and supportive fashion, without being politically affiliated in any way whatsoever.

Support we provide on a municipal level, and subject to approval, includes:

- Installation of road and informational signage to uphold road safety and create a tourist-friendly environment;
- Cleaning of public parks and historical places;
- Provision of materials and labour for road marking(s);
- In-town cleanup & revival;

THE PERSONS BEHIND THE DRIVE

PROUDLY HARTIES is managed by three directors, supported by three experienced and committed volunteers, without receiving any form of remuneration for their hard work and dedication. PROUDLY HARTIES has a general Policy and Procedure Document in place, thereby ensuring good governance and providing a road map for day-to-day operations. The latter includes prior approval of all projects and related disbursements, and reserving implementation of all projects solely for third party service providers.

HOW TO GET INVOLVED

Join us in becoming a donor by making financial contributions in favour of the mission and vision of PROUDLY HARTIES alternatively contribute by making available sponsored material(s) and/or goods relative to applicable projects. See attached hereto a Commitment Form to be completed.

We look forward to partner with you. #MyTown #MyResponsibility.

Warm regards,

The PROUDLY HARTIES Team
